Connecting traditional craftsmanship with global opportunities.

1. About Handicraft BD

Handicraft BD is an artisan-focused marketplace dedicated to connecting Bangladeshi craftsmanship with customers and businesses worldwide. We work to preserve traditional skills, support artisan communities and create a reliable sourcing channel for global buyers seeking authentic handmade products.

Our vision is to build a trusted bridge between skilled artisans and international markets through quality products, transparent sourcing and meaningful stories behind every creation.

2. Our Mission & Values

• Authenticity — Genuine handmade craftsmanship and cultural heritage.
• Quality — Carefully selected products suitable for global customers.
• Sustainability — Natural materials and responsible production.
• Fair Opportunity — Supporting artisan communities and local makers.
• Trust — Reliable communication, product information and buyer support.

3. Why Global Buyers Choose Handicraft BD

Global buyers today are looking for products that are more than ordinary decor items. They want authenticity, sustainability and a story. Handicraft BD provides:

✓ Unique handmade collections from Bangladesh
✓ Cultural products with international appeal
✓ Wholesale sourcing opportunities
✓ Custom gifting solutions
✓ Collaboration opportunities for boutiques and retailers
